

PROFESSIONAL DEVELOPMENT OPPORTUNITIES FOR STUDENT-EMPLOYEES

[Be Engaged Workshop Series](#) (virtual)

- Focuses on Leadership, Wellbeing, & Self-Exploration.
- Great opportunities to connect with other students while learning key skills and resources to empower student success

[UW-Madison Leadership Certificate Program](#)

- This program is designed for student leaders who excel in their leadership roles both inside and outside the classroom.
- The Certificate marks a formal acknowledgement of student contributions and achievements.

[Upcoming Workshops & Trainings](#) (Center for Leadership & Involvement)

- Feature thought-provoking discussions and events for students.

[Community-Based Learning Courses](#) (Morgridge Center for Public Service)

- These classes incorporate meaningful community engagement with course content so you can get real-world experience as part of a for-credit class. Students report that in CBL classes, they learn more, understand course content better, and enjoy the class more.
- More than 40 departments teach 110+ Community-based Learning courses every year. This is your chance to add hands-on, meaningful experience to your class schedule while getting involved in your community.

[Social Justice Hub](#) (Inclusive Education)

- The Social Justice Hub provides purposeful out-of-classroom education through direct experience to further develop skills to engage in social justice work and to improve the quality of life for all.
- They accomplish this through Action Teams, events, and outreach and collaboration connections.

[Career Services for Undergraduate Students](#)

- Career Services at UW-Madison are organized and delivered by schools and provide comprehensive career services including career advising and workshops, job postings, career fairs, on-campus interviews, and more.

[Career Services for Graduate Students](#)

- Career Services at UW-Madison are organized and delivered by schools and provide comprehensive career services including career advising and workshops, job postings, career fairs, on-campus interviews, and more.

[Graduate Student Professional Development Opportunities](#)

- When you participate in professional development, you build skills needed to succeed academically and thrive in your career. Check out DiscoverPD and the Individual Development Plan (IDP) that will help you reflect, plan, and discuss your academic and professional goals.

[Software Training for Students](#) (DoIT)

- DoIT Academic Technology's Software Training for Students offers a variety of technology classes and custom trainings designed to meet the needs of students

[LinkedIn Learning](#)

- LinkedIn Learning is an online educational platform that helps you discover and develop business, technology-related, and creative skills through expert-led course videos.
- Must have a LinkedIn account to access these resources.
